DECLARATION OF RICHARD HOWE UNDER 37 CFR § 1.105

1. My name is Richard Howe and I am an inventor of the subject matter claimed in U.S. Patent Application Serial No. 10/032,843.
2. The document in question, "Kaleidoscope—The Web as the World" bears the legends "Proprietary and Confidential" and "Disclosure Document." The document was authored and submitted to the Assignee by my co-inventor and me as an invention disclosure.
3. The cover date of November 7, 1999 is the approximate date on which the document was completed and submitted to the Assignee.
4. No part of the document was published or made available to the public prior to the filing of the current application.
5. I believe that any disclosure to any third party of any portion of the document prior to the filing of the current application was made pursuant to a properly executed non-disclosure agreement.
6. All statements made of my own knowledge are true, and all statements made on information and belief are believed to be true. I understand that willful false statements

and the like are punishable by fine or imprisonment or both (18 USC § 1001) and may jeopardize the validity of this application or any patent issuing thereon.
